

## DESCRIPTION

**BIOACTIVE TOILET CLEANER** is the perfect multi-purpose product for general toilet maintenance. Its super concentrated gel formula sticks to surfaces, making it perfect for cleaning walls and vertical surfaces.

**BIOACTIVE TOILET CLEANER** is a powered formulation which combines ultra-effective biosurfactants, with organic substance-digesting microorganisms. This increases cost-efficiency by speeding up cleaning time and significantly reducing the amount of product required. It has a fresh, long-lasting perfume.

**BIOACTIVE TOILET CLEANER** is a unique 7-in-1 product. Works on all toilet fixtures and surfaces (urinals, showers, fittings and trim, porcelain, walls, floors, etc.), as well as on enamel, ceramic, chrome, stainless, glass, and more.

1. Cleans and shines. Ultra-effective biosurfactants scrub away grime and bring out the shine in all toilet fixtures.
2. Prevents and removes lime and mineral (scale) deposits. The slightly acidic pH value of **BIOACTIVE TOILET CLEANER** prevents scale and eliminates lime stains.
3. Destroys odor at their source. Special microorganisms digest odor-causing organic matter.
4. Long-lasting perfume. Unique "original" perfume leaves the unmistakable smell of clean.
5. Keeps drain pipes and tanks cleaner for better maintenance. Biosurfactants and microorganisms combine to eliminate urine scale, clean fixtures and restore proper drain flow. Enriches active flora.
6. Protective film. Powerful biosurfactants leave a protective film that prevents new deposits and makes cleaning easier.
7. Effluent conditioner. Microorganisms and biosurfactants work immediately to break down waste effluent

## BIOACTIVE TOILET CLEANER™

### ADVANTAGES AND CHARACTERISTICS

- ◆ Cleans and shines.
  - ◆ Removes and prevents lime and mineral (scale) deposits.
  - ◆ Eliminates odor at its source.
  - ◆ Long-lasting clean perfume
  - ◆ Maintains drain lines and tanks
  - ◆ Creates a protective film
  - ◆ Conditions effluents
  - ◆ Speeds up cleaning
  - ◆ Cost efficient and easy to use
- ▶ **BIOACTIVE TOILET CLEANER** is not harmful to the marine environment as per MARPOL MEPC 63 Annex V Amendment [MEPC. 71/17/Add.1 Annex 21, Resolution MEPC 295 (71)].

### PHYSICAL PROPERTIES

**BIOACTIVE TOILET CLEANER** is the perfect multi-purpose product for a complete and effective biotreatment.

<b>Appearance/Color</b>	: Opaque turquoise liquid
<b>Odor</b>	: Original - fresh pleasant perfume.
<b>pH value</b>	: 5.0 at 15°C

### PACKAGING

Order Number	: 551212 (12X1L)
Container	: 1 plastic box contains 12X1L plastic bottles

### APPLICATION AND USE

#### DILUTION

**For heavily soiled surfaces:** Undiluted.

**For surfaces and floors:** 5% to 15% solution in bucket or sprayer.

**Drain lines maintenance:** 20ml in each drain daily or 50ml in each drain 1 to 2 times per week, depending on the degree of contamination.

#### INSTRUCTIONS FOR USE

**BIOACTIVE TOILET CLEANER** may be used diluted or undiluted. In case it has to be used diluted the following procedure must be used:

1. Dilute according to recommendations.
2. Apply to surface.

3. Rinse with clear water.

**For drain lines maintenance:**

1. Use product cap to measure correct amount.

2. Pour down the drain (toilet, urinal)

Do not use any bactericidal 2 hours before and 2 hours after using this product.

► **Important Note:**

The microorganisms contained in **BIOACTIVE TOILET CLEANER** are all Class 1 as per the European Directive 2000/54/EC (non-modified microorganisms that are non-pathogenic to humans and the environment).

**! SAFETY AND HANDLING**

<b>HANDLING</b>	Handle with care. Store in a dry, cool and well ventilated environment.
<b>SAFETY</b>	IMMEDIATE ACTIONS
<b>Eye Contact</b>	Avoid Eye contact. Otherwise, flush with plenty of water for a few minutes. Seek medical attention.
<b>If Swallowed</b>	Avoid ingestion. Otherwise, consume a considerable quantity of water. Do not induce vomiting. Seek medical attention immediately.
<b>GENERAL INSTRUCTIONS</b>	Avoid mishandling.

 **Read the Material Safety Data Sheet before using this product.**
